MINIGARDEN CORNER

Product description

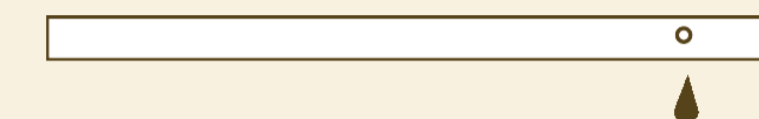

The irrigation kit for Minigarden® Corner consists of the following parts:

Part:	Valve	Coupling	T	Pipe Cross Elbow Joint	Plug	Tap Adapter
-------	-------	----------	---	------------------------	------	-------------

Units:	1	12	10	1	13	13	1
--------	---	----	----	---	----	----	---

Part:	Minigarden micro dripping tube (1 drip)					
-------	---	--	--	--	--	--

Units:	12					
--------	----	--	--	--	--	--

Features:	Length 14 cm, Ø int 5 mm, Ø ext 6.5 mm, flow rate 1.5 l/h;					
-----------	--	--	--	--	--	--

Part:	Micro tube					
-------	------------	--	--	--	--	--

Units:	11					
--------	----	--	--	--	--	--

Features:	Length 17.5 cm, Ø int 4 mm, Ø ext 6 mm;					
-----------	---	--	--	--	--	--

Part:	Micro tube					
-------	------------	--	--	--	--	--

Units:	9					
--------	---	--	--	--	--	--

Features:	Length 8.5 cm, Ø int 4 mm, Ø ext 6 mm					
-----------	---------------------------------------	--	--	--	--	--

Part:	Micro tube					
-------	------------	--	--	--	--	--

Units:	1					
--------	---	--	--	--	--	--

Features:	Length 150 cm, Ø int 4 mm, Ø ext 6 mm;					
-----------	--	--	--	--	--	--
